**Sermon NOTES:**

God's people must guard against an evil report. Has anyone ever said something bad about you that was not true? Why did they do that, were they repeating something that they heard, they didn't like you, or was it a misunderstanding? How we deal with these type of life events is really important to your spiritual life. Today I will speak about evil and how we deal with it in our personal lives. Let's see what God has to say!
