

Rolling Oaks Baptist Church

Reaching out to others with the Gospel of Jesus Christ by building relationships through sports ministries.

ROBC Sports Provide us another way to reach people with the Gospel

Sports Outreach

People from all areas of life are interested in sports. So why not use sports as an outreach for the Gospel of Jesus Christ! Whether it's bowling, football, horseshoes, kickball, softball or any sport, what a great way to reach people. Sports helps to break down walls and open doors.

Can I play?

The first goal of our sports ministry is to be a positive witness of Jesus Christ. In softball we play in non-Christian leagues where we learn to balance competitiveness with our witness. Opposing teams are invited to join us in prayer after games which may start a journey toward Christ. Skill levels are determined by coaches however *everyone* plays! Never played a sport before, no problem you can play. We also have in church football and kickball games.

Bowling

We have several bowling teams which are involved in league play. Currently these leagues play on Sunday evening after evening church at the lanes on Thousand Oaks. The competition is against other churches. A player fee is required, team fees are covered by the church or sponsors.

SOFTBALL

At this writing there are two leagues, summer and fall. These are co-ed leagues meaning both women and men play on the teams. We play on very nice fields with officials and win-loss tracking. Church members, family and friends are invited to come watch the games. Seating stands, restrooms, snack bar and more are provided. A player fee is required, team fees are covered by the church or sponsors.

What to start a sport?

Our sports/recreation ministry was started by people who wanted to play sports in a ministry environment. To see what it would take startup the sport you are interest in contact our Recreation and Sports Minister.

Current Sports Leagues

Below are the current sports leagues that ROBC has joined. This list will expand with time and opportunity.

- Co-ed Bowling
- Co-ed Softball
- Co-ed Football (non-league)
- Co-ed Kickball (non-league)

Visit our website for days/times of these and other activities, events and ministries
