Where do I fit?

There are two groups within the Youth Ministry Jr. High and High School. These age groups provide for better relations. These groups meet together for a number of activities and events with along with learning opportunities such as Sunday School.

Youth within the Church

Youth have always been of high importance to our church! Why, they are future church members, leaders, teachers, pastors and ministers. Our Youth learn the importance of service within the ministries of the church by being involved! Youth serve in the sound booth, in the kitchen, on yard crews and more. Ministry and mission activities are designed so youth can serve along adults inside and outside the church. Youth also serve with adults on committees, councils and teams within the church.

ROOTED

ROOTED is the name of the Youth group. It comes from being rooted in Christ with the church being the soil for growth. ROOTED meets Wednesday evenings for game and recreation time and Bible/topical study. Adult leaders teach and led our youth, and a youth council consisting of adults and youth plans the calendar for youth activities and events.

Master's Camp

Our yearly Youth Camp is Master's Camp. It's a week-long and it's held at Alto Frio Baptist Encampment in Leaky, Texas. Each year this amazing camp experience makes a major impact on youth. The cost of camp is typically covered by the fund raising events or sponsors. A Parents Day provides parents the opportunity to experience camp with their youth.

Spiritual Gifts

Did you know that God gives every Christians at least one spiritual gift, usually many more! We assist youth in discovering these gifts through modeling, teaching and providing opportunities to utilize these gifts in real world ministry. We have several mission opportunities designed just for this purpose.
